Strengthening LIBOR – confirmed implementation of recommendation number 6 of 'The Wheatley Review'

BBA publishes results of public consultation on LIBOR and confirms final timescale for reducing range of rates. [read more](#)

BBA reports findings of LIBOR reform consultation

The timetable for ending LIBOR quotes in some currencies and maturities is published today by the British Bankers' Association, following a month-long consultation with market users. [read more](#)

BBA consults on implementing Wheatley LIBOR reforms

Following the recommendations of the Wheatley Review of LIBOR, the British Bankers' Association has today issued a consultation on how initial changes will be implemented. [read more](#)

BBA statement on conclusions of Wheatley Review into LIBOR

The British Bankers' Association said: "The BBA worked very closely with the Wheatley Review of LIBOR and believe today's report is an essential step. The BBA has strongly stated the need for greater regulatory oversight of LIBOR, and tougher sanctions for those who try to manipulate it. The BBA Council has indicated it would support any recommendation that responsibility for LIBOR should be passed to a new sponsor. [read more](#)

BBA statement on Wheatley Review of LIBOR

The BBA said today: "The BBA seeks to work with the Wheatley review team as they complete their consultation on the future of LIBOR. If Mr Wheatley's recommendations include a change of responsibility for LIBOR, the BBA will support that." [read more](#)

BBA statement on FSA LIBOR investigation

The BBA said: "This is an announcement with extremely serious implications which need to be carefully considered and the investigation findings will be fully included in the current review of Libor. [read more](#)
